

# BLUCAMP – Healthy and Natural Holidays

Blucamp is a 3-star-campsite, and it's located on a hill, 8 km away from the sea. This area is rich of archaeological sites: nearby, at 15 km here is the etruscan small town of Populonia and the etruscan tombs of Baratti, located on the homonymous gulf. Nearby there are other interesting sites, such as Massa Marittima, - Volterra, San Gimignano, the enchanting S. Galgano abby. Pisa is only an hour away, a salso Vetulonia Necropolis and the ancient villages of Sovana and Pitigliano. For the young people there are two very large "Water games" with giant slides, floating castles etc. just 20 minutes away. In Venturina (4 km away) there is a natural thermal lake (38° C warm) open until 12 p.m.

The sea is either with sandy beaches and high pinewoods behind, or rocks and clear waters near Baratti. Organized trekking are available in the mineral park- one of the most important of Europe with old Etruscan mines that were in use up until few years. A riding school is only 2 km away.

The campsite is relatively small (8 bungalows and 113 places, some of them with private sanitary facilities) on a surface of 55,000 square meters, on large terraces, shadowed by oaks, olive- and chestnut trees, with view over the sea.

The sanitary facilities are very modern and large, with free warm showers and laundry machines available. There is a swimming pool, free for our guests, located on a terrace with a breath-taking view. A quiet place, with no loudspeakers.

There is also a **Wi-Fi-Zone free of charge**, and a bar-pizzeria-restaurant offers home cooking at reasonable prices.

The bungalows have got satellite-TV.

All places have electricity which is included in the price.
